Suppression d'un poste fait par Autopilot

01-Dans le Centre d'administration Microsoft Intune

02-Dans le Centre d'Administration Active Directory

03-Dans Tanium

04-Dans Cortex

05-Self Elevation

Introduction

Cette procédure permet de supprimer les ordinateurs qui ont été fait via Autopilot

La présente procédure est valable seulement pour les machines achetées pour les collaborateurs Inetum

Utilisation du :

Centre d'administration Microsoft Intune

<https://endpoint.microsoft.com/#home>

Centre d'administration Active Directory

Console Tanium Management Console en L2

<https://itm.cloud.tanium.com/ui/tanium-home>

Suppression d'un poste fait par Autopilot

Intune

AVANT TOUT, POUR SUPPRIMER UN POSTE FAIT EN AUTOPILOT, IL DOIT ETRE SUPPRIMER D'INTUNE

1. Centre d'administration Microsoft Intune (<https://endpoint.microsoft.com/#home>) avec votre compte ADM
2. Accéder à la page d'Enrollment: « **Appareils** », « **Inscrire des appareils** »
3. Dans la section « **Windows Autopilot Deployment Program** », cliquer sur « **Appareils** »

The screenshot displays the Microsoft Intune 'Devices | Enrollment' page. The left sidebar contains a navigation menu with 'Devices' and 'Enrollment' highlighted. The main content area shows the 'Enrollment options' section with various settings like Automatic Enrollment, CNAME Validation, Co-management Settings, etc. The 'Windows Autopilot device preparation' section is also visible, with a 'Devices' link highlighted at the bottom.

- Rechercher le PC avec son numéro de série
- Sélectionner la machine puis supprimer la

Tanium

Avec un compte tanium L2

1. Console Tanium Management Console <https://itm.cloud.tanium.com/ui/tanium-home>
2. Accéder à la page : «**Data**», «**Reports**», «**Last seen Computers** »

The screenshot shows the Tanium Management Console interface. The top navigation bar includes the Tanium logo, a search bar, and user information. The left sidebar contains a menu with items like 'Data', 'Reports', 'Dashboards', and 'Settings'. The 'Data' menu item is highlighted with a red box and a red '1'. The 'Reports' menu item is highlighted with a red box and a red '2'. The 'Last Seen Computers Informations' report is highlighted with a red box and a red '3'.

The main content area displays the 'Reports' section. It includes filters for 'Show: All', 'Content Set: Select...', 'Author: Select...', and 'Created On: 01/24/2020 to 01/24/2025'. A table lists reports, with the 'Last Seen Computers Informations' report highlighted. The table has columns for 'Report Name', 'Content Set', 'Author', 'Created', 'Last Modified By', and 'Last Modified'.

Report Name	Content Set	Author	Created	Last Modified By	Last Modified
★ Last Seen Computers Informations	Reporting	Louis Anne	30 janv. 2024, 13:59 UTC+1	Louis Anne	16 sept. 2024, 11:31 UTC+2

Marketplace

A modern office interior with people working. In the center, two men stand near a laptop, and a woman sits on a colorful sofa using a laptop. The scene is framed by large glass windows. In the foreground, two people are blurred as they move past. The image is decorated with several semi-transparent geometric shapes: a red square in the top left, a cyan square in the top right, a red square in the middle right, a cyan square in the bottom right, and a red square in the bottom left. The word "Self-elvation" is written in a large, white, sans-serif font across the center.

Self-elvation

- Console Ivanti
- Chercher le poste puis supprimer le

The screenshot displays the Ivanti Management Console interface. The main window shows a list of computers under the 'FR-AC-SelfElevation' group. A context menu is open for the computer 'ITMFR5CG1378MFK', with the 'Delete' option highlighted. The left sidebar shows the navigation tree with 'Computers' selected under 'FR-AC-SelfElevation'. The right sidebar shows the 'Actions' menu.
